Notes About Town-Sergeant Connell on Vatcation-No-License Rally on Wednesday.

Harry Hankin was in Hartford

Miss Lucy Allyn of Toledo, O., has been visiting Miss Louise Pitcher of Prospect street.

James W. Semple and Charles Meech of Sixth street were visitors Bridgeport Sunday.

James Rothwell and family have re-turned to their home in Page street after visiting in Lowell and Boston. William A. Pitcher, Dr. E. J. Bro-phy, William Kramer and James Kirby were visitors at the Kingston fair last week.

Miss Amy Wheeler and Miss Mar-garet Clark of Willimantic were the guests of their aunt, Mrs. William P. Greene Saturday and Sunday.

Miss Mamie Maloney has returne to her home on Fifth street, after spending two weeks with Mr. and Mrs. James O'Malley of Fitchburg, Mass.

A no-license rally is scheduled for Wednesday evening at 8 o'clock in Union hall. Interesting speakers are promised and efforts are being made to have a large and representative ody of voters present.

Sergt. Richard Connell is spending his vacation in New York and during his absence Officer Allen C. Matthews is doing night duty while Supernumerary Cornelius Murphy is on the Greeneville day beat.

It is announced that the Greeneville Independents will play their first game of the season Sunday at the Cramberry. Their opponents will probably be the atrons Jewett City team of the Eastern, Connecticut league; it is hoped to complete the arrangements Wednesday. It is rather late in the season for baseball, but the speedlest ball seen this year in Norwich is promised.

FUNERAL.

Irving D. Johnson. The funeral of Irving D. Johnson was held from late home, No. 33 Fifth street, Monday afternoon at 2.30. Nu-

mercus relatives and friends were present. Rev. Jerome Greer of Bean Hill conducted the services. The bearers were Peter Campbell, Paul Gadle, Benjamin Jacques and George L. Kies. There were beautiful flowers. The burial was in Yantic cemetery, where Rev. Mr. Greer read a committal service. Henry Allen & Son was in charge of the arrangements.

HEARINGS IN BANKRUPTCY BEFORE REFEREE BROWNING

Swartz Cases. Before Referee in Bankruptcy Amos A. Browning on Monday morning there was a hearing of the creditors in the bankrupt estate of Catherine M. J. Lawler at which Attorney H. H. Pettis was named as trustee under bonds of \$2,000 and as appraisers Attorney Tel-ley, E. Babcock, John M. Lee and Miss Maud B. Parkinson were named. In the estate of Charles Swartz, New bonds of \$2,000 and the ap-

raisers named were John Lang, Jacob

Linicus and Frank Johnson Tree Stump Gives Trouble. The big root of a tree weighing several tons, which Henry E. Davis was saving carted to the city dump stalled he pair of horses drawing it in front of the Perkins building on Main street on Monday afternoon. The driver of the McCrum-Howell company team hitched on in front and the big stump was moved around through Shetucket street into Water street. Just after turning in here a back wheel collapsed. making it necessary to leave the team in the street over night. It will be drawn to the Central wharf dump to-

18 MONTHS IN PENITENTIARY. Bank Cashier and Business Man Sentenced for Fraud

Decision Reached at a Meeting Held Monday-Committee's Report was in Favor of Accepting Offer for Davenport Company's Machinery.

CURTISS WINS IN WEST CHELSEA DISTRICT

Mills Laid. In the West Chelsea school district the only contest in the election of officers this year was over the collector, there being two candidates, Alfred S. Curtiss, who has held the office several years, and Joseph N. Phillips. The latter was nominated at the caucus but friends of the former urged him to run and on another ticket he won out by the handsome margin of 139 to 61, which announcement was greeted with appliance.

Only Contest There was Over Collector

-Reports Accepted and Tax of 3 1-2

rear was fixed at 3 1-2 mills the same as last year. The compensation of the treasurer was made \$50 and the collector was voted three per cent of the amount collected. The board was au-thorized to borow such sums as neces-say to meet the expenses until the tax

reported that the board had compiled with the instructions of the district and had asked the selectmen to place in the warning for the October election

work done during the year was given. Supt. Stanton referring to the adop-tion of the "no school" bell, the part as the general advancement of the work during the year. He commended the teachers for their patience and perseverance and cheerfulness. Regarding the class which graduated last June

he said:

The general standing of this class, in both scholarship and deportment, was high. We had the privilege of granting certificates to sixteen to enter the Academy without examination. We should have been pleased to grant others in this class similar certificates. others in this class similar certificates, but the conditions allow the granting to only the upper half of the class. All who took the examination were All who took the examination were successful, one only receiving a condition, which was in artifimetic. Those who received certificates last year maintained at the Academy a very creditable rank in class and we hope that those who go this year will do as well or better. I want to urge upon parents, who send their children to the Academy, the importance of seeing that they have time for study, and ing that they have time for study, and that they improve this time. There were 999 different pupils registered in

were 999 different pupils registered in the district during the year, the average attendance bing 792, while the number of sittings in the schools is 1959. There were 21 school rooms and 27 teachers.

A bank wall with a flight of steps was built in front of half of the yard on Elizabeth street and the temporary fence removed. This greatly improved the looks of both the street and the yard. yard. As usual the buildings are in excellent condition for the opening of

The largest items of repairs to be poted are the installation of a new heart and the renewing and increas-ing of the piping at the High street building, the painting of the exterior of the Mt. Pleasant street building and the painting of the roofs at both the Pearl street and the West Thames street buildings. These, with the mistreet buildings. These, with the mi-nor repairs that recur annually, place all of the buildings in first telass con-

The treasurer's report showed the receipt of \$21,405.73 during the year and a balance at the close of \$530.04. For the last three years there is due on the collectors books the following: 1907, \$201.20; 1908, \$269.05; 1909, \$672.-57. The district indebtedness is \$15,100. For 1909-10 the estimated expenses are \$21,662.66 while the receipts are expected to be \$22,034.03.

EDWARD P. HATCH DEAD. Dry Goods Merchant Had Been Spend ing the Summer in Vermont.

Burlington, Vt., Sept. 30 .- Edward P. Hatch, for many years head of the firm of Lord & Taylor in New York city, died at a hotel in this city today. He had spent his summers here for forty years. Edward Hatch, Jr., of the dry goods concern, is his son.

For a long time Mr. Hatch was act.

In accordance with the vote at the meeting of the bondholders of the Davenport Fire Arms company, held recently, the committee named at that time, and empowered to investigate the proposition to sell a portion of the machinery held by the bonholders mortgage in the closed plant, has been faithfully at work upon the duties entrusted to them and called the bondholders together for a meeting Monday. This was held in the board of trade rooms and was for the purpose of making their report in regard to the disposal of the portion of the machinery which the proposition. This covered the machines used in making the double barrelled guns, it is stated.

The report of the committee, which consisted of Amos A. Browning. Frank H. Allen and Henry W. Tibbits, reviewed the investigation which had been made and favored the disposal of the company, which has been the hope and belief of those interested in the company and the industrial welfare of Norwich.

NORWICH BOY RETURNS FROM CIRCLING THE GLOBE

George F. Bentley Has Been in Philip pines Over Three Years-Visited Australia, Soth Africa and Had Hunting Trip There-At Kimberly Diamond Mines.

Brown as a berry and talking Span-ish as if it was his native tongue. George F. Bentley has returned to Norwich after an absence of nearly, four years, most of which time has been spent in Manila, P. L. but during the trip he has circled the globe and had the experiences of few men of his

won out by the handsome margin of 139 to 61, which announcement was greeted with applause.

The ballot box was open during the late afternoon and evicing until 8 o'clock, W. W. Ives being moderator and Assistant Registrars H. M. Leron and T. J. Kelly in attendance. After the polls had been closed the registrars appointed Charles E. Whitaker and Charles E. Briggs counters and while they were separating the ballots the other business was quickly done.

The call was read by Clerk C. Arthur Lathrop and the report of the last meeting approved. The 13th annual report of the board of education, the treasurer and the superintendent were approved as printed. Upon motion of Martin F. Bent the tax for the ensuing year was fixed at 3 1-2 mills the same tiled to more than they are getting and the report of the manual report of the population with his concern. He found Manila to his liking, meeting many close friends. He was sick but a very short time while there. He thinks the government is accomplishing much there but the people do not appreciate it. They think they are entired to more than they are getting and overhit to the continent and spent six months more than his contract with a watch concern at Manila he crossed the continent and spent six months more than his contract with a watch concern at Manila he crossed the continent and spent six months more than his contract with a watch concern at Manila he crossed the continent and spent six months more than his contract with a watch concern at Manila he crossed the continent and spent six months more than his contract with a watch concern at Manila he crossed the continent and spent six months more than his contract with a watch content with a watch content with a watch content of the heart of the people of the Philippent six months more than his contract with a watch content of the heart of the people of the Philippent six months more than his contract with a watch continent and spent six months more than he crossed the continent and spent six months more than his cont tilec to more than they are getting and ought to be independent. The school system is doing much for them but it will take some time and have more effect on the next generation. Living is very expensive there but more effect on the next generation.
Living is very expensive there but wages are good and nearly everyone has his servants, who are hired cheap.
He left there April 15, going first to

Australia where he spent some time with the instructions of the district and had asked the selectmen to place in the warning for the October election a call for a vote on the consolidation of school districts.

The appropriate that the board had complied like America and no people like Americans for whom they cannot do by much. Practically everything is stamped there as being made in Americans.

The announcement of the vote for officers was declared at this time as follows: For members of the board of education for three years. Thomas H. Beckley, 198, Martin F. Bent 199, John B. Oat 199; for clerk, C. Arthur Lathrop 199; for clerk, C. Arthur Lathrop 199; for collector, Alfred S. Curriss 139, Joseph N. Phillips 61, Mr. Curtiss with those preceding him being declared elected.

This completed the business and adjornment was taken after a session of about fifteen minutes.

The superintendent's report was made the annual report of the board of education in which a review of the work done during the year was given. Supt. Stanton referring to the adoption of the "no school" bell, the part supt. Stanion referring to the adoption of the "no school" bell, the part the schools took in the anniversary celebration, the physical culture feature introduced during the year as well as the general advancement of the where the American consul organize a hunting party of which he was member and they went a hundred mile inland, an experience like Roosevel as baving falling to their lot, although they did not see as many large ani-mals. Many small ones, the largest being a six foot babboon, fell before mais. Many small ones, the largest being a six foot babboon, fell before them. About a hundred blacks carried their trappings. The days there are not but the nights so cold that several blankets, drawn over the head even, are required on the velt.

While at Kimberly he was privileged. to go through several mines as well as the sorting houses of the diamond companies seeing the process of dianoted mining and sorting from start to firish. About a million dollars worth of diamonds of all colors were

from South Africa he took passage to Lordor and thence to New York having skipped all the storms on his long trip. He was 83 days on the water. He carried a camera with him and has many valuable pictures taken in the various countries he visited. It's account of experiences in China is most interesting. He will remain here a few days before deciding which of several offers he will accept, as he has some excellent propositions under con-sideration His many friends have been co-daily greeting him during the past

SHOT IN THE LEG Boys Across River Were Firing at a Target - Bullet Entered James

Franklin's Thigh, Near Knee, Going to Bone. Game Warden James H. Franklin was accidentally shot in the left thigh Monday afternoon about 2.15 o'clock while standing on the Battleground in

the rear of Sherwood B. Potter's store. He was talking to C. Morgan Williams He was talking to C. Morgan Williams at the time, when the report of a gun was heard, and Mr. Franklin exclaimed"I'm shot!" He bent over to see where he was hit, and fell to the ground, the leg becoming numb.

The shot struck him from the front, entering his thigh about 2 1-2 inches above the knee, and the bullet flattened out against the bone, as was ascertained by Dr. F. J. Harper, who examined Mr. Frauklin at the injured man's home, to which he was removed in Potter's wagon. It was decided to aloly the bullet to remain where it was rather than probe for it.

was rather than probe for it.

The bullet evidently came from North Main street across the Shetuck-

For a long time Mr. Hatch was active in the development of the sewing machine export business, before he became connected with the dry goods firm He was born in Norwich, Vt., on July 11, 1832.

Mr. Hatch had been associated with the New York mercantile firm more than thirty years. When the concern became a corporation, in 1904, he was elected president and a director. He was a member of the chamber of commerce and the Aldine association.

New London,—All officers at the national convention of Daughters of Scotia were elected at Paterson, N. J., last week. Delegates from this city, Mrs. Robina Lanian, Mrs. Isabel Austin and Mrs. Martha Rankin, will give reports of the meeting at the next meeting of Lady Aberdeen.
